SUMMARY OF THE REASONS FOR DECISION:

The publication *Extreme-Asians.com The Most Hardcore Asian Fucksite Ever! Page 1 Of 1* is classified as:
Objectionable.

The publication is a black and white computer printout on a sheet of A4 paper, and has been downloaded from a sexually explicit website. The printout is made up of sexually explicit photographs and captions, and lists the website's sexual activities and attractions. The computer printout refers to young persons alongside explicit photographs of a variety of sexual activities and passages of sexually explicit text advertising the content of the website. The references to young persons are therefore presented as a sexual attraction to the viewer. Consequently the publication tends to promote and support the exploitation of young persons for sexual purposes.

The provisions of the New Zealand Bill of Rights Act 1990 (NZBR Act) have been taken into account in determining this classification. The computer printout falls under s3(2) of the Films, Videos, and Publications Classification Act 1993. It is therefore deemed to be objectionable. A classification of "objectionable" places a limit on the freedom of expression set out in s14 of the NZBR Act. However, in relation to this publication, the classification is considered to be a reasonable limit prescribed by law that can be demonstrably justified in a free and democratic society.
